

EHT Closes Third and Final Tranche of Private Placement

TORONTO, March 8, 2017 /CNW/ - EnerDynamic Hybrid Technologies Corp. ("**EHT**" or the "**Company**") (TSX-V: EHT) announces that it has completed the third and final tranche of a private placement that was conditionally accepted by the TSX Venture Exchange on December 19, 2016. The Company has raised \$1,389,099.90 of gross proceeds from the sale of units (each a "**Unit**" and collectively, the "**Units**") at a price of \$0.15 each (the "**Offering**"), on a brokered private placement basis.

Each Unit consists of one (1) common share in the capital of the Company and one-half (1/2) of one (1) share purchase warrant of the Company (a "**Warrant**"). Each Warrant entitles the holder thereof to acquire one (1) common share at a price of \$0.20 per common share at any time prior to 5:00 p.m. (Eastern Standard Time) on the date that is 24 months following the closing date of the Offering.

Proceeds from the Offering will be used for general working capital purposes.

EHT has engaged Kingsdale Capital Markets Inc. (the "**Agent**") to act as the agent for the Offering. The Agent has received (a) a cash commission in an amount equal to 8% of the gross proceeds raised through the Offering, (b) 740,854 agent warrants (each an "**Agent Warrant**", and collectively, the "**Agent Warrants**"), representing an amount equal to 8% of the Units issued pursuant to the Offering, and (c) reimbursement of the expenses of the Agent. Each Agent Warrant is exercisable for one (1) Unit during the 24 months following the closing of the Offering at an exercise price of \$0.15.

Pursuant to applicable securities laws, all securities issued under the Offering are subject to a four month and a day hold period from the date of issuance. The Offering is subject to the final approval of the TSX Venture Exchange.

This news release does not constitute an offer to sell, or a solicitation of an offer to buy, any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

Following completion of the Offering, there are 140,762,574 issued and outstanding common shares of EHT.

About EnerDynamic Hybrid Technologies

EHT delivers proprietary, turn-key energy solutions which are intelligent, bankable and sustainable. Most energy products and solutions can be implemented immediately wherever they are needed. EHT stands above its competitors by combining a full suite of solar PV, wind and battery storage solutions, which can deliver energy 24 hours per day in both small-scale and large-scale format. In addition to traditional support to established electrical networks, EHT excels where no electrical grid exists. The organization supplies advanced solutions for various industries in combination with energy saving and energy generation solutions. EHT's expertise includes the development of module structures with full integration of smart energy solutions. These are processed through EHT's production technologies into attractive applications: modular homes, cold storage facilities, schools, residential and commercial out buildings and emergency/temporary shelters.
